GLAZED VITRIFIED TILES

In a quest
to deliver the
size of perfection

600X1200MM

— GLAZED VITRIFIED TILES —

Take pleasure in the warmth of
your atmosphere that enhances
the elegance of the style segment
with the classic touch element.

The image features a wall of light grey marble tiles with intricate gold and white veining. In the bottom left corner, there is a dark blue staircase with five steps. To the right, a potted plant with large green leaves sits on a dark surface. The background is a dark brown gradient.

Explore The Exceptional Carving Collection

Highlight your decor with a sense of refinement that will create a fresh, modern look and make your space feel luxurious.

A modern interior scene featuring a decorative lamp. The lamp has a wooden globe with horizontal grain patterns, mounted on a thin gold-colored rod. The globe is encased in a dark, reflective spherical frame. The lamp sits on a base made of two stacked, cylindrical wooden logs with natural bark textures. The background consists of a dark blue wall on the left and a brown wall on the right, with a dark grey floor. A large, dark, angular shape is visible in the upper left, and a white sphere is mounted on the blue wall.

Carved creation for
your aesthetic appeal.

Your appeal will be illuminated by
the magnificent glow of the tiles
and enhanced with the beauty of
your aesthetic touches.

Strive to seize the State of the art Technical Specification

Over the past decade, digitally carving tiles have established a permanent place in the tile manufacturing industry. These tiles splash a wide range of above-mentioned features that makes it more Durable & Diligent

A high-angle photograph of a modern kitchen island. The island has a dark, possibly black, countertop with a stainless steel sink. On the countertop, there are several glass jars of varying sizes and a stack of white plates. The island's base is dark and features multiple drawers and cabinets with simple, horizontal handles. The floor is covered in large, square tiles with a herringbone pattern, each tile having a wood-grain texture. The lighting is soft and even, highlighting the textures of the floor and the sleek lines of the island.
